FOR
LETTER OF DEFICIENCY
No. WMD 01-25

Dear Mr. Lenz:

As a result of an inspection conducted on August 1, 2001, the Department of Environmental Services, Waste Management Division ("DES") issued Letter of Deficiency No. WMD 01-25 to GZA GeoEnvironmental, Inc. ("GZA"). Based on a follow-up inspection by DES personnel conducted on October 29, 2001, DES has determined that GZA has corrected the deficiencies identified in Letter of Deficiency No. WMD 01-25.

Please be advised that DES will continue to monitor GZA's compliance status and will take appropriate action should other violations be observed.

This letter does not provide relief for or otherwise address any other deficiencies that may now exist or that may arise.

If you have any questions regarding this Letter of Compliance, please contact Michael Galuszka at (603) 466-5389. We appreciate your cooperation in resolving this matter.

Sincerely,
